

Who we are:

The Barracuda Quarterback Club, 501(c)3 is a nonprofit organization benefiting the football team at NSB High School run by the coaching staff and parent volunteers.

What we need:

We are reaching out to gauge your interest in becoming a Barracuda Business Partner and supporting our student athletes this year. Football is one of the most expensive programs to fund and we rely heavily on the generosity of our community benefactors to allow our athletes to be successful. In years past, schools provided funding for their athletic programs but that is NOT the case today. Each year, we have about 85 players that need to come up with the funds to "pay to play."

How your contribution will benefit the players:

Most importantly, we need to purchase quality equipment such as helmets, pads, mouth guards, etc that need to be updated frequently to comply with safety standards which is a top priority. In addition to expenses incurred during the season, the team is provided with protein bars/shakes after workouts or if they missed breakfast on a daily basis throughout the entire year. Uniforms are passed down to the JV each year but replacement costs are high for a fully decorated uniform in our colors of Red, Black & White. Transportation, practice gear and pre-game meals also add to the costs.

To give back, the boys do volunteer their time with youth clinics throughout the summer that are put on free of charge for our rising Cuda football players. They also raise funds throughout the year but a gift from your organization would ease the burden of the expense. It is estimated that it costs about \$1500 per student athlete to participate in the sport all year long.

We hope your Cuda pride shines through and you will strongly consider being a Cuda Football Business Partner this year! Thank you so much for your consideration. There are many opportunities to expose your brand at our events, banners/announcements at the field and new this year a printed program given out at every game and casino night at the Brannon Center. Your logo can be displayed on t-shirts, banners, ON THE TURF, our website, all over social media and digitally at our events. Prize donations & gift certificates also appreciated. Please email with questions - Go Cudas!
